

Phofu Eco Safari Lodge Fact Sheet

GENERAL INFORMATION

Phofu Eco Safari Lodge is a 6000ha game reserve situated in the Kgalagadi district near Kang on the southern border of the Central Kalahari Game Park in Botswana. It is the only exclusive game reserve in the area and is the perfect stop over for 4x4 enthusiasts travelling to and from Maun along the Trans Kalahari highway.

Phofu Eco Safari Lodge uses eco friendly energy systems for generating electricity and pumping water. This system ensures minimal impact on the environment while ensuring maximum comfort for guests at the lodge.

ACCOMMODATION

Luxury Lodge

The lodge offers accommodation in two luxury en-suite rooms under thatch. The comfort of these suites creates an experience that blends the remoteness of the breath-taking setting with utter relaxation and style.

Luxury Tented Camp Sites

The Kalahari tented camp site has seven luxury en-suite tents; three are equipped with self-catering facilities, situated 5km away from the lodge. Guests have full access to all facilities at the lodge.

Camp Sites

The Boskamp camp site provides basic camping facilities ideal for tourists en route to and from the Okovango and Central Kalahari Game Park. Enjoy flushing toilets and a hot water shower – a camper's luxury in Central Kalahari!

Sunken Hide Sleep Over

The Sunken Hide site provides basic comfortable sleep over facilities, ideal for tourists who wish to await the excitement of close encounters with the animals coming in to drink at night. Perfect for photo opportunities.

Room Facilities

En-suite Bathroom, Open-air Shower, Fan, Extra Blankets, Amenities, Robes, Lounge Area, Patio, Bottled Water, Mosquito Repellent. (Hair dryers and adaptors upon request).

Dining Options

The lodge offers dining in the restaurant as well as in the boma. Various outside venues are available for a traditional braai, picnic or for that special meal in the African bushveld.
